Dementia UK Training

## Dementia UK Training

Dementia UK Training provides a wide range of courses to suit professionals working in the field of health and social care.

Our courses aim to improve the standards of care for people with dementia and promote good practice by developing the skills and knowledge of care workers.

*Person-centred care – Learner-centred training*

**“This was an excellent and inspirational course – I look forward to sharing these new approaches and activities with my colleagues and residents.”**

Open course participant, October 2010

## Dementia UK Training provides:

- Accredited Programmes:
  - QCF Award in Awareness of Dementia Care
  - Working with People with Dementia and their Carers
- Open Courses – for health and social care professionals – short courses
- Commissioned Training – bespoke training for care providers

Dementia UK Training provides a variety of learning and development solutions to meet the workforce needs identified by the National Dementia Strategy and the NICE Quality Standards.

---

**All our trainers have a wealth of experience and are experts in the field of dementia and older people’s care**
