D

UNIVERSITY/ ORGANISATION	COURSE CONTACTS	Course title/Level and Credit points	No. of intakes per Year
De Montfort University, Leicester	Chris Knifton Tel: 0116 2013855 Email: cknifton@dmu.ac.uk	Level 6 Post-registration 15 credit module Dementia Care In addition the university offers nursing registration in all fields of practice (3 year course) and dementia care is taught to all students. The university also offers a 'dual-registration' course where students can choose any 2 nursing registrations together (eg. Mental health and adult nursing) (4 year course).	Taught module, assessed by written assignment and practice based outcomes. Students must therefore be working (paid/voluntary) with people with dementia, or carers (informal or formal carers). 1 intake per year (semester 2/ spring)
