I am a UK tax payer. Please treat all donations I make or have made to Dementia UK for the past four years as Gift Aid donations until further notice.

I understand that if I pay less Income Tax and/or Capital Gains Tax than the amount of Gift Aid reclaimed on all my donations in that tax year it is my responsibility to pay any difference. Gift Aid is reclaimed by the charity from the tax you pay for the current tax year.

Please let us know if your tax circumstances or name or address details change so we can amend our records.
