

Your simple guide to setting up a Facebook birthday fundraiser using a mobile device

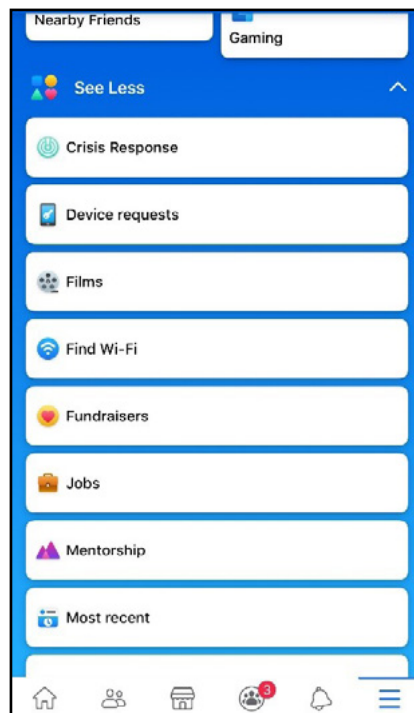

Setting up a Facebook fundraiser couldn't be easier...

Android: Click on the three lines at the top left of your newsfeed.

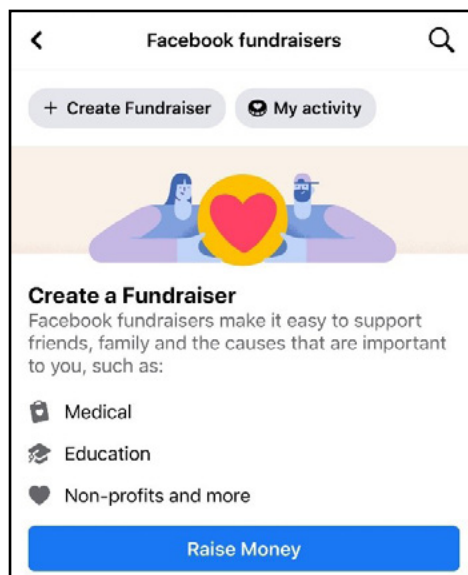

iPhone/iPad: Click on the three lines at the bottom right of your newsfeed.

Then...

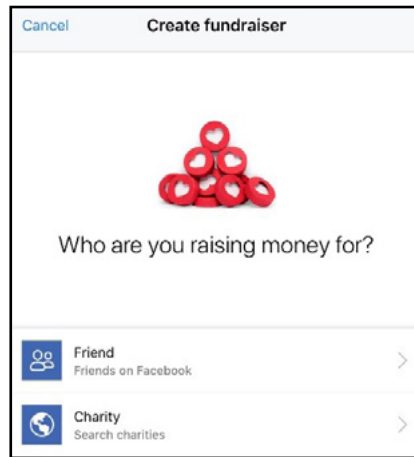

Here you will see options including Groups and Marketplace, scroll down to **Fundraisers** (you may have to scroll to the bottom and select **See More**):

Click the blue button - **Raise Money**:

Select **Charity:**

Select **Dementia UK:**

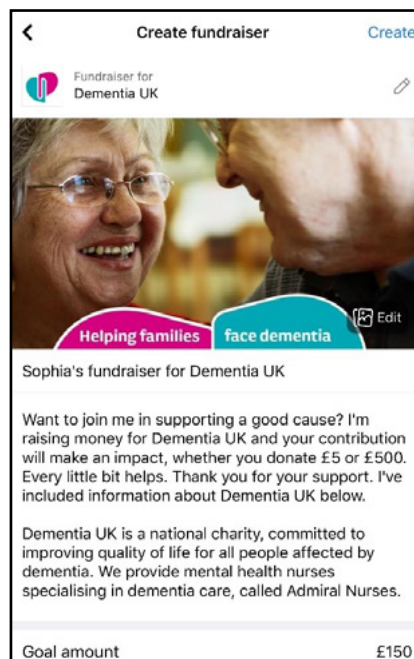

Nearly there...

Here you can personalise your fundraiser page. Firstly, you can choose a **cover photo** or use the Dementia UK one provided.

Edit your fundraiser title e.g. Sophia's fundraiser for Dementia UK!

You will then see some **information** already written about Dementia UK to tell any potential donor a little about us. You can personalise this by detailing your reasons why you have chosen to fundraise for us, but it is completely up to you.

Then simply, edit the **goal amount** accordingly:

Lastly... Click **Create**.

Your Facebook fundraiser is now set up

Invite your friends and share, share, share!

Thank you so much for choosing to support Dementia UK.
