

If you wish to enter the competition to win the Raise your Game trophy, please record any games you play on here. You can play as many games as you wish – the more you play, the greater your score and chance of winning!

Award yourself one point for every game you play and an additional five points for every game you win.

At the end of the event, the player with the highest number of points is the winner.

If there is a tie for first place, your host may choose a suitable way to decide on the winner, such as:

- **Rock, paper, scissors**
- **Coin toss**
- **A battle game of their choice**
