

Guess the weight of the cake

How to play

For a suggested **£2 donation**, write down your name and guess. Your host will reveal the answer and the closest guess wins. Good luck!

Time for a Cuppa host

Weigh your chosen cake and keep the weight secret until everyone has written down their guess. Announce the winner and give them the cake as their prize.

If you need space for the more players you can photocopy this poster or download extra copies at www.dementiauk.org/materials
