

Role description

Role title:	Event Photographer
Availability/Hours:	weekends – between 2-5 hours
Location:	Across the U.K

Background

Today, dementia is the leading cause of death in the UK. By 2025, more than one million people in the UK will be living with this often-devastating condition. Millions of us will know someone living with dementia. Many will be directly affected it – as the incredibly difficult role of carer often falls to friends and family members.

Dementia UK is a value driven charity, providing specialist dementia support and advice for families through our Admiral Nurse service. Our nurses help people living with dementia stay independent for longer and support the people caring for them so that they will have the strength to cope with the bad days, and the energy to enjoy the good days.

About the role

You will join Dementia UK staff and volunteers at our cheer point or postrace locations to get photos of our amazing runners and cyclists.

About the team

Dementia UK have a dedicated events team that manage our third-party events. We recruit and support those who have chosen to take on a physical challenge to support Dementia UK.

Benefits of volunteering

- You will support our runners and cyclists by providing wonderful images that commemorate the day
- It is a fantastic opportunity to meet some of our amazing participants and hear why they are supporting us.

Volunteer tasks

Your role will be:

- To take photographs of Dementia UK participants on the course / at the post race reception with their medal
- You may be asked to travel from our cheer point to our post-event location
- We will provide a list of shots we would ideally like of our participants, but would love you to also take any other shots that you think will look great

Skills/experience

- Experience in photography – sports ideally

Additional information

- Access to a car / good transport links
- Required to stand for long periods of time
- Must have your own professional camera
